MEMORANDUM FOR THE RECORD

Morning Meeting of 16 May 1966

DCI expressed congratulations to Messrs. Helms, White, and Clarke re the briefing of Mahon on the Budget.

Proctor reported that 400 copies of the pamphlet on semantics, prepared by Kaiser Aluminum, would be available for distribution within the Agency. 100 of these will be made available to Training. DCI indicated his willingness to brief selected Training courses, particularly if they were held in the USIB Conference Room since this saves the DCI a good deal of travel time. Proctor also tabled the weekly report of Task Force Lookout.

Godfrey reported that all was quiet in DaNang at the moment. He discussed the current situation in Ecuador and predicted the possibility of trouble there with the return of Velasco upcoming this week.

Kent reported on the consultants' meetings at Princeton last week which had included considerable discussion of the Agency's image. In this connection, the DDCI requested that the Executive Director chair a small group to look into the matter of Agency contracts with universities.

deSilva reported that there was general agreement that he and [] would not fuzz their Agency employment, should the question arise, at the two academic seminars they will be attending in the next few weeks.

25X1

[] reported that Chamberlain had briefed the Joint Committee on the third CCNE Friday afternoon. He noted that Senator Saltonstall had visited the Agency Friday afternoon. Wheelon noted that the OSA Control Room had been one of the sites visited by Saltonstall who was impressed by the thoroughness of overflight clearances.

25X1

The DCI noted that he had not appeared before the Russell Committee for some time. (See Action Item 1)

Bross requested guidance as to who on the White House staff should be his point of contact in PFIAB matters. The DCI indicated that Rostow would be the logical man.
